THE FRONTIER STORY

The story of the Inland Empire is also the story of Frontier Communities.

The history of this wide realm – from its citrus and agrarian roots to today’s forward looking cities – the Inland Empire has set aspirations high, working for a rich quality of life. As an Inland Empire builder, we’ve continually helped it to achieve some of its many goals. Frontier Communities anticipated this transformation, and set course to assure that all may realize the American Dream of home ownership. We fulfill the promise that people have made to themselves – ownership of a beautiful home in vibrant surroundings, and a fresh vision of a proud future.

Frontier Communities is a local neighborhood builder with roots deep in the Inland Empire. We translate vision into attainable neighborhoods. We give back to the communities where we build. And we are proud to contribute to their progress. The experience we bring to our mission draws from solid leadership and a complete spectrum of homebuilding expertise. People of all ages and life stages have entrusted Frontier Communities to make them comfortable with buying a home, and proud of the home they’ve purchased.

We are Your Hometown Builder.
